## Promote opportunities for children, youth and young adults

Education and Participation

Kommunales  
**jobcenter**  
Lahn-Dill

 Lahn-Dill-Kreis

Children in day care centres, pupils in general or vocational school can have a special support, if they and their parents receive one of these benefits:

- Basic Social Security II or income support,
- Benefits according to SGB XII ( social help),
- Benefits according to asylum seekers benefits act,
- housing allowance or children allowance

Also low-paid workers can have an entitlement examined by the initial counselling of the local jobcentre.

## What will be funded?

### Rides with the school or the day care centre

Here the costs are being paid back directly to the school or the day care centre. For a payment in time it is important to determine the costs before the beginning of the ride.

### Excursions

The costs for excursions are being paid back directly to you after proof.

### School transport

Pupils of the secondary level can receive their transportation costs back. This happens generally speaking when the nearest school is not on walking distance or not reachable with bicycle.

### Participation in social and cultural life

Membership fees, musical classes or instructed free-time activities of children and youth until 18 years old, up to 15 euros are monthly supported.

### School Supplies

Pupils receive a financial aid in August (for the first half-year) and in February (beginning of the second half-year). Acquirements like school bags, sports utensils, writing materials, calculation materials and drawing materials are being thereby

supported. The payment is made directly to you.

### Learning support

Children need every now and then support for their transferring or finishing school. An additional tutoring can be allowed, when the funding is appropriate, suitable and necessary.

### Allowance for lunch

If day care centres or schools offer lunch, we can bear the costs. Those who are entitled to this receive a coupon.

## How do I receive the benefits?

Please fill up a form for every child or teen and/or submit a proof of the costs. You can choose more than one benefits at the same time. You can find the form such as more Information at:
